

We are managing various kinds
of aircrafts.

What kind of aircraft do **YOU** have and
how can we help?

OUR SOLUTION

As an aircraft owner you can enjoy the freedom of the **Air**. But owning an aircraft means also to take the responsibilities. Let us take the responsibility and we will take care about all details managing your freedom. Be Independent.

WHAT WE CAN DO

We manage all aspects of your operation. Maintenance, flight-planning, crewing and a lot more. We create an individual package of your needs. And with our experience in charter services we can also help you earning money during your aircraft's idle time.

WHAT YOU CAN EXPECT

Safety, experience, reliability. Which gives you more time, more comfort, more independence. When choosing **Air** Independence you can rely on over 10 years of experience. Our motivated team is available 24/7/365 for you. Enjoy your freedom of the **Air** and be Independent.
