## FULLY INDIVIDUAL for relaxed Travel

The Challenger 604 „Independence Six“ meets all the criteria of a high-class business jet. Sleek design combined with the finest materials make it easy for up to 10 passengers to feel right at home when they are on board. All of the seats can be individually adjusted, which means that it is possible to hold larger meetings and relax in the air – thanks to the latest communication system and sophisticated meals prepared in the on-board kitchen.
